

SHIP SECURITY OFFICER (SSO)

INTRODUCTION

This DG Shipping approved course aims to provide knowledge to those who may be designated to perform the duties and responsibilities of a Ship Security Officer (SSO) as defined by regulation VI/5, section A-VI/5 and table A-VI/5 of the STCW 2010 as amended. Training includes duties and responsibilities with respect to the security of a ship, for implementing and maintaining a Ship Security Plan, liaising with the Company Security Officer (CSO) and with Port Facility Security Officers (PFSOs).

OBJECTIVE

Those who successfully complete this course will be able to undertake the duties and responsibilities as Ship Security Officer, as defined by regulation VI/5, section A-VI/5 and table A-VI/5 of the STCW 2010 as amended, which include, but are not limited to:

1. Undertaking regular security inspections of the ship to ensure that appropriate security measures are maintained;
2. Maintaining and supervising the implementation of the Ship Security Plan, including any amendments to the plan;
3. Coordinating the security aspects of passengers and/or the Handling of cargo and ship's stores with other Shipboard Personnel and with the relevant Port Facility Security Officers;
4. Reporting to the Company Security Officer any Deficiencies and non-conformities identified during internal audits, periodic Reviews, security inspections and verifications of compliance and implementing any corrective actions;
5. Ensuring that adequate training has been provided to shipboard personnel, as appropriate;
6. Reporting all security incidents;
7. Ensuring that security equipment is properly operated, tested, calibrated and maintained, if any.
