

SSTP MID TERM REVIEW

As per IMU guidelines, we carry out “SSTP MID – TERM REVIEW” for training progress made by the cadet during the 6 to 12 months that the cadet has spent on board.

The Mid-term Review is to guide the cadet on where he/she has lagged behind and what improvements need to make, so that his training can be completed fully within the remaining sea-time.

The cadet should send PHOTOCOPIES of the following to institute before coming for mid-term review:

- (1) Projects (with index)
- (2) Activity work book
- (3) Activity work book – Supplement (if applicable)
- (4) Tasks summary sheet
- (5) Bridge watchkeeping, Port watchkeeping, Steering and Engine room watchkeeping certificates And duly filled “Cadet Details – Mid Term Review”

The cadet should carry the following documents in original when he comes for mid-term review:

- (1) Deck Cadet SSTP Record book
- (2) Deck Cadet Shipboard Activity Work Book
- (3) Deck Cadet Shipboard Activity Work Book Supplement: Chemical Tankers / Oil tankers / Gas carriers (whichever is applicable).
- (4) Project Work File
- (5) Watch-keeping records and certificates

The Record books and associated documentation shall be thoroughly reviewed and the knowledge gained assessed through WRITTEN TEST (MCQs) & INTERVIEW.

Mid-term Review Report will be issued to the Cadet in the format given in Appendix 5 of SSTP guidelines issued by IMU.
